

# CERTIFICATE

448 2603 14A

Tests according to EN 448:2025

for

**Bonded single pipe system for  
directly buried hot water networks  
from DHP District Heating Pipes Kft.**

Order from

**DHP District Heating Pipes Kft.**

Test specimen No 6038, 6039, 6040

Factory made fitting assemblies DN 50/125 from regular production

Report 1910\_5623A

From February to March 2026, tests were carried out at the FFI on the above-mentioned test material to determine the thermal insulation properties of polyurethane foam (PUR) and the fitting assembly in accordance with European standard EN 448:2025 in conjunction with the Euroheat & Power guideline EHP 001/2024.

**The bonded pipe system from DHP District Heating Pipes Kft. complies  
with the tested requirements according to EN 448:2025.**
